USEFUL INFORMATION

HOW DOES THE DEDUCTIBLE WORK?

The **deductible** you have selected will be reflected in your certificate of coverage and your insurance ID card.

The **deductible** is the amount you must cover each **policy year** before we begin to pay any expenses.

It is important that you send us all your claims, even if the value of your claim is lower than the **deductible**. The claim will be considered in the calculation of your **deductible**. If your claim is for an amount higher than the value of outstanding **deductible** we will pay the expenses according to your benefits.

The deducible applies:

- o per **policy year**,
- individually for each insured, with a maximum equivalent to two deductibles per family,
- for all benefits of this insurance policy, except when stated otherwise.

The **Table of Benefits** in your General Conditions provides you with a detailed explanation of your covered benefits and limitations.

EXAMPLE (US\$2,000 DEDUCTIBLE)

For a surgery in Bolivia

Total approved expenses:

Your **deductible**: US\$1.000

US\$5.000

Amount we pay:

US\$4.000

Approved hospitalization during the same policy year outside Bolivia:

US\$6,000

Outstanding **deductible**:

US\$0

Amount we pay: US\$6,000

CURRENCY

All benefits are in US\$ (U.S. dollars) and are calculated according to the currency exchange on the day of the service.

WAITING PERIOD

Some benefits are subject to waiting periods. This means a claim may not be submitted for those benefits until the corresponding waiting period has been completed.

BENEFITS LIMITS

There are three types of limits to benefits, as per the **Table of Benefits:**

- The "maximum limit" the maximum amount we will pay in total, for all the benefits, for each insured, per policy year
- 2. "Per lifetime" the maximum amount of certain benefits we will pay per **insured** during their lifetime
- 3. Limits per sessions, visits, or days the maximum amount we will pay for certain benefits, for example: **rehabilitation**

All limits are per **insured**. Some limits apply per **policy year**; this means that once a limit is reached, the benefit is no longer available until after the renewal of your insurance **policy**. Other limits apply per lifetime; this means that once a limit is reached, the benefit will no longer be paid, regardless of the **policy renovation**.

IMPORTANT

In order for us to give you the best service possible and help us control medical expenses, remember to always carry your insurance card with you. Not doing so may result in usual, customary and reazonable costs.
